

# Dialogue platform at the “High-Precision Electromechanics Plant” Republican Unitary Enterprise”

On February 4, 2022 in the auditorium of the Republican Production Unitary Enterprise “High-Precision Electromechanics Plant” there was a dialogue platform to discuss additions and amendments to the Constitution – the Basic Law of the Republic of Belarus. The heads of structural subdivisions, members of the labor collective met with the Chairman of the Belarusian Trade Union of Industrial Workers “BELPROFMASH” of Minsk and Minsk region Yury Vasenkov.

Representatives of the labor collective actively joined the dialogue. After all, an active civic position is the key to the success of constitutional reform.
